

## MASTERCLASS 2024 PROGRAMME OUTLINE

### Day 1 | 13<sup>th</sup> May 2024

Time	Topic	Speakers
8:30–9:00	Greeting message from the Hospital	Mario Zama and Marcello De Santis (Italy)
	Welcome from EPUAP President	Andrea Pokorna (Czech Republic)
	Introduction, objectives, learning outcomes	Guido Ciprandi, Valentina Vanzi (Italy), Steven Smet (Belgium)
9:00–10:00	Lecture: Pressure ulcer aetiology & biomechanics	Amit Gefen (Israel)
10:00–10:15	Italian Coffee break	
10:15–11:15	Lecture: Pressure ulcer risk assessment and pressure ulcer classification	Jan Kottner (Germany)
11:15–12:15	Lecture: MASD-MARSI-IAD	Dimitri Beeckman, Steven Smet (Belgium)
12:15–13:30	Lunch break, Italian light cooking adventure	
13:30–14:30	Lecture: Materials and mobilization: new concepts with impact on PU prevention	Amit Gefen (Israel)
14:30–15:45	Workshop GROUP 1: Developing and implementing a risk assessment and prevention protocol	Dimitri Beeckman, Steven Smet (Belgium)
	Workshop GROUP 2: Positioning / Repositioning technologies for PU prevention, PU prevention in crucial settings (Intensive, Subintensive, OR areas).	Guido Ciprandi, Valentina Vanzi, Serena Crucianelli and Italian Skin Care Treatment Team (Italy)
15:45–16:00	Italian Coffee break	
16:00–17:15	Workshop GROUP 2: Developing and implementing a risk assessment and prevention protocol	Dimitri Beeckman, Steven Smet (Belgium)
	Workshop GROUP 1: Positioning / Repositioning technologies for PU prevention, PU prevention in crucial settings (Intensive, Subintensive, OR areas).	Guido Ciprandi, Valentina Vanzi, Serena Crucianelli and Italian Skin Care Treatment Team (Italy)
18:00–21:30	Welcome in Rome «the Eternal City» – Cocktail Party: be our Guest! Venue: Osteria Poerio, via Alessandro Poerio, 27	

### Day 2 | 14<sup>th</sup> May 2024

Time	Topic	Speakers
8:45–10:00	Lecture: Clinical innovations in pressure ulcer treatment	Andrea Pokorna (Czech Republic), Guido Ciprandi (Italy)
10:00–10:15	Italian Coffee break	
10:15–11:30	Workshop GROUP 1: Pressure Ulcers and NPWT: when to use it	Steven Smet (Belgium), Serena Crucianelli, Valentina Vanzi (Italy)
	GROUP 2: Round table and Clinical cases: Pressure Ulcers and NPWT: how to use it in clinical practice. Focus on most fragile patients (micropremies, newborn and geriatric population)	Guido Ciprandi, Sergio Filippelli and the Italian SCP&TT (Italy)
11:30–12:45	Workshop GROUP 2: Pressure Ulcers and NPWT: when to use it	Steven Smet (Belgium), Serena Crucianelli, Valentina Vanzi (Italy)
	GROUP 1: Round table and Clinical cases: Pressure Ulcers and NPWT: how to use it in clinical practice. Focus on most fragile patients (micropremies, newborn and geriatric population)	Guido Ciprandi, Sergio Filippelli and the Italian SCP&TT (Italy)
12:45–14:00	Lunch break, Italian light cooking adventure	
14:00–15:15	Lecture: Pressure Ulcer: wound hygiene, local dressings, bioburden and local care in 2024	Corrado M. Durante (Italy)
15:15–15:30	Italian Coffee break	

## MASTERCLASS 2024 PROGRAMME OUTLINE

Time	Topic	Speakers
15:30–16:45	Workshop GROUP 1: <b>Biocompatibility, biofragmentation, dermal and epidermal substitutes in all ages. Advances in addressing partial/full thickness skin defects in Pressure Ulcers. A journey inside.</b>	<i>Guido Ciprandi, Francesca Grussu and Corrado M. Durante (Italy)</i>
	Workshop GROUP 2: <b>Guideline implementation and quality indicators</b>	<i>Andrea Pokorna (Czech Republic), Valentina Vanzi (Italy)</i>
16:45–18:00	Workshop GROUP 2: <b>Biocompatibility, biofragmentation, dermal and epidermal substitutes in all ages. Advances in addressing partial/full thickness skin defects in Pressure Ulcers. A journey inside.</b>	<i>Guido Ciprandi, Francesca Grussu and Corrado M. Durante (Italy)</i>
	Workshop GROUP 1: <b>Guideline implementation and quality indicators</b>	<i>Andrea Pokorna (Czech Republic), Valentina Vanzi (Italy)</i>
18:30–22:30	<b>Dinner and Walking by night (Gianicolo, TransTiberim) with a Guided Tour, final Dinner in Vecchia Trastevere, via del Moro 24-26 and "surprise"</b>	

### Day 3 | 15<sup>th</sup> May 2024

Time	Topic	Speakers
9:00–9:45	Lecture: <b>Digital Health in Pressure Ulcer prevention and treatment: Clinical and Social Impact</b>	<i>Sergio Pillon (Italy)</i>
9:45–11:00	Lecture: <b>Pressure Ulcers prevention and treatment costs. Analysis and discussion.</b>	<i>Dimitri Beeckman (Belgium)</i>
11:00–11:15	Italian Coffee break	
11:15–12:45	Full interaction between teachers and learners on clinical cases of pressure ulcers at all ages: finding the solution	<i>All the Teachers: interactions</i>
12:45–13:45	Lunch break, Italian light cooking adventure	
13:45–14:45	Case discussions: <b>Selected Clinical cases illustrated by Participants</b>	<i>All the Attendees: instructions</i>
14:45–15:15	<b>Closing remarks for the 2024 Masterclass</b>	
15:15–15:30	Italian Coffee break	
15:30–16:00	<b>Examination</b>
