

MASTERCLASS 2024 PROGRAMME OUTLINE

Day 1 | 13th May 2024

Time	Topic	Speakers
8:30–9:00	Welcome Introduction, aims and objectives, learning outcomes, assessment	Guido Ciprandi, Marcello De Santis, Mario Zama, Valentina Vanzi (Italy), Steven Smet (Belgium), Andrea Pokorna (Czech Republic)
9:00–10:00	Lecture: Pressure ulcer aetiology & biomechanics	Amit Gefen (Israel)
10:00–10:15	Italian Coffee break	
10:15–11:15	Lecture: Pressure ulcer risk assessment and pressure ulcer classification	Jan Kottner (Germany)
11:15–12:15	Lecture: MASD-MARSI-IAD	Dimitri Beeckman, Steven Smet (Belgium)
12:15–13:30	Lunch break, Italian light cooking adventure	
13:30–14:30	Lecture: Materials and mobilization: new concepts with impact on PU prevention	Amit Gefen (Israel)
14:30–15:45	Workshop GROUP 1: Developing and implementing a risk assessment and prevention protocol	Dimitri Beeckman, Steven Smet (Belgium)
	Workshop GROUP 2: Positioning / Repositioning technologies for PU prevention, PU prevention in crucial settings (Intensive, Subintensive, OR areas).	Guido Ciprandi, Valentina Vanzi, Serena Crucianelli and Italian Skin Care Treatment Team (Italy)
15:45–16:00	Italian Coffee break	
16:00–17:15	Workshop GROUP 2: Developing and implementing a risk assessment and prevention protocol	Dimitri Beeckman, Steven Smet (Belgium)
	Workshop GROUP 1: Positioning / Repositioning technologies for PU prevention, PU prevention in crucial settings (Intensive, Subintensive, OR areas).	Guido Ciprandi, Valentina Vanzi, Serena Crucianelli and Italian Skin Care Treatment Team (Italy)
18:30–22:00	Welcome in Rome «the Eternal City» – Cocktail Party: be our Guest! Venue: Osteria Poerio	

Day 2 | 14th May 2024

Time	Topic	Speakers
9:00–10:00	Lecture: Clinical innovations in pressure ulcer treatment	Andrea Pokorna (Czech Republic), Guido Ciprandi (Italy)
10:00–10:15	Italian Coffee break	
10:15–11:30	Workshop GROUP 1: Pressure Ulcers and NPWT: when to use it	Steven Smet (Belgium), Serena Crucianelli, Valentina Vanzi (Italy)
	GROUP 2: Round table and Clinical cases: Pressure Ulcers and NPWT: how to use it in clinical practice. Focus on most fragile patients (micropremies, newborn and geriatric population)	Guido Ciprandi, Sergio Filippell and the Italian SCP&TT (Italy)
11:30–12:45	Workshop GROUP 2: Pressure Ulcers and NPWT: when to use it	Steven Smet (Belgium), Serena Crucianelli, Valentina Vanzi (Italy)
	GROUP 1: Round table and Clinical cases: Pressure Ulcers and NPWT: how to use it in clinical practice. Focus on most fragile patients (micropremies, newborn and geriatric population)	Guido Ciprandi, Sergio Filippell and the Italian SCP&TT (Italy)
12:45–14:00	Lunch break, Italian light cooking adventure	
14:00–15:15	Lecture: Pressure Ulcer: wound hygiene, local dressings, bioburden and local care in 2023	Corrado M. Durante (Italy)
15:15–15:30	Italian Coffee break	

MASTERCLASS 2024 PROGRAMME OUTLINE

Time	Topic	Speakers
15:30–16:45	Workshop GROUP 1: Biocompatibility, biofragmentation, dermal and epidermal substitutes in all ages. Advances in addressing partial/full thickness skin defects in Pressure Ulcers. A journey inside.	<i>Guido Ciprandi, Francesca Grussu and Corrado M. Durante (Italy)</i>
	Workshop GROUP 2: Guideline implementation and quality indicators	<i>Andrea Pokorna (Czech Republic), Valentina Vanzi (Italy)</i>
16:45–18:00	Workshop GROUP 2: Biocompatibility, biofragmentation, dermal and epidermal substitutes in all ages. Advances in addressing partial/full thickness skin defects in Pressure Ulcers. A journey inside.	<i>Guido Ciprandi, Francesca Grussu and Corrado M. Durante (Italy)</i>
	Workshop GROUP 1: Guideline implementation and quality indicators	<i>Andrea Pokorna (Czech Republic), Valentina Vanzi (Italy)</i>
19:30–0:00	Dinner and Walk on by Night (Trastevere and Isola Tiberina) with a tour guide	

Day 3 | 15th May 2024

Time	Topic	Speakers
9:00–9:45	Lecture: Digital Health in Pressure Ulcer prevention and treatment: Clinical and Social Impact	<i>Sergio Pillon (Italy)</i>
9:45–11:00	Lecture: Pressure Ulcers prevention and treatment costs. Analysis and discussion.	<i>Dimitri Beeckman (Belgium)</i>
11:00–11:15	Italian Coffee break	
11:15–12:45	Full interaction between teachers and learners on clinical cases of pressure ulcers at all ages: finding the solution	<i>All the Teachers: interactions</i>
12:45–13:45	Lunch break, Italian light cooking adventure	
13:45–14:45	Case discussions: Selected Clinical cases illustrated by Participants	<i>All the Attendees: instructions</i>
14:45–15:15	Closing remarks for the 2024 Masterclass	
15:15–15:30	Italian Coffee break	
15:30–16:00	Examination
